Frog Pond, originally *Community Place*, is listed on the National Register of Historic Places as the site of a socialistic communal experiment that lasted from 1843 to 1846, denying religion, government, and individual property ownership; advocating free love and prohibiting the use of meat, narcotics, and alcohol. Community Place was founded by John Collins, who was active in the anti-slavery movement and a companion of Frederick Douglas before coming to Skaneateles.

The Carriage Barn at Frog Pond

Skaneateles, New York
 At Historic Community Place
 1821

We offer you the opportunity to have your special event or reception in our restored carriage barn on the grounds of Frog Pond Bed & Breakfast, an 1821 stone house listed on the National Register of Historic Places. We are only two miles from the village of Skaneateles in a quiet and private country setting of over 100 acres. We have ample off street parking and guests have access to all gardens and grounds. While the Carriage Barn can accommodate 130 to 150 guests inside, a tent may be rented for larger receptions. In addition, there are several outdoor locations for wedding ceremonies. If needed, we have recommended caterers and suppliers with years of experience at The Carriage Barn. They can be of help with the details of planning an event in an empty venue, such as the rental of tables, dishes, linens. This allows you to concentrate on making your reception unique and personal. In addition, approximately four days are available to set up and decorate.

For the weekend of your event, we request that you reserve two rooms for two nights in our bed and breakfast, for your own use or for out of town guests.

Please call Cathy at 315-685-0146 or email for availability and more information.

The Carriage Barn rental for up to 100 total attending is \$2000, \$225 additional for having the ceremony onsite. We require an additional fee of \$150 for 100+, \$300 for 150+, \$450 for 200+.
